

Dear pharmacist,

Our client would like to buy Scarfix<sup>TM/MC</sup> (\*ScarRedux<sup>TM/MC</sup>) at your pharmacy, a product designed to minimize disfiguring scars.

Scarfix<sup>TM/MC</sup> is a derma-repair treatment system for scars resulting from wounds, surgery, burns, acne cysts, etc. Scarfix<sup>TM/MC</sup> fights hypertrophy and keloids. The Scarfix<sup>TM/MC</sup> gel can also be used as a skin repair treatment for rosacea and recent stretch marks.

### THE SCARFIX<sup>TM/MC</sup> SOLUTION: A UNIQUE SYSTEM

Scarfix<sup>TM/MC</sup> is a derma-repair treatment system for scars resulting from wounds, surgery, burns, acne cysts, etc. Scarfix<sup>TM/MC</sup> fights hypertrophy and keloids. The Scarfix<sup>TM/MC</sup> gel can also be used as a skin repair treatment for rosacea and recent stretch marks.

You can order\* it by phone at 514-390-9400 or by email at [info@scarfix.ca](mailto:info@scarfix.ca).

For further information, visit [www.skinrepairsolution.com](http://www.skinrepairsolution.com) or contact Claude Marquis at 514-390-9400.

Did you know that some private insurers consider the Scarfix<sup>TM/MC</sup> system a medical expense and offer a refund with a copy of the doctor's prescription? Contact the insurer(s) to see if your client qualifies.

Yours sincerely,

Skin Repair | S.R. Innovative Products Inc.

\* The Scarfix<sup>TM/MC</sup> system is sold under the name ScarRedux<sup>TM/MC</sup> in the United States, Mexico and South America. Clients from these regions will receive ScarRedux<sup>TM/MC</sup>.
